

MANUFACTURING

Romec is a quality manufacturer of equipment solutions for both the UK and overseas postal and materials handling operators. Romec designs, manufactures and installs equipment for these industries. Our advanced production and design centres, coupled with expert designers and engineers, use state-of-the-art CAD/CAM equipment, including laser cutters with CNC (Computer Numerically Controlled) technology and a modern powder-coating facility.

THE BENEFITS

- > Romec provides a complete end-to-end service from product design through to manufacture, installation and maintenance
- > An informed supplier to Royal Mail Group for over 10 years
- > Major success in new product development as well as improving our existing product portfolio
- > Sophisticated Computer Numerically Controlled (CNC) manufacturing equipment ensure products are produced quickly and accurately
