

# STREET FURNITURE

Romec provides a unique maintenance and installation service to Royal Mail's entire range of street furniture including post and pouch boxes.

We ensure that their street furniture is kept clean and in good working order thus enabling them to provide an efficient service to the public. In an average year we install, replace or remove over 3,000 of these boxes, paint 38,000 and handle 11,000 reactive and planned maintenance calls a month via our National Service Centre.

## THE BENEFITS

- > Nationwide coverage - we have a dedicated workforce of approximately 100 staff nationwide with a national back-up service
- > Fully trained staff both as street works supervisors and operatives
- > Central reporting point (National Service Centre)
- > Wide range of management information available on each job
- > We have a fleet of vehicles fitted with cranes capable of transporting and lifting street furniture

## GENERIC SERVICES

- > Preventative maintenance
